Director's Corner

I hope this new month finds you safe and warm. November is a mixed bag, bringing with it the last of our glorious fall weather, the end of Daylight Savings Time on November 1st, and Veterans Day on November 11th.. It's the time of year we gather with family and friends to celebrate Thanksgiving Day. This is a good time to take a breath and relax before the frenetic pace of the Christmas season begins.

"There's always a fresh pot of coffee at the Newburgh Senior Center, as well as a friendly game of Rummikub, a puzzle to be worked, and engaging conversations to be had with new and old friends. Check out our activity calendar for other scheduled events. We hope to see you soon!

Daylight Savings Time Ends Nov.1

It's time to "fall back!" This year, Daylight Savings Time ends on Sunday, November 1 at 2 a.m. Most people will change their clocks before they go to bed on Saturday night.

This is also the perfect opportunity to make sure your smoke and carbon monoxide detectors are in working order and change the batteries.

Newburgh Senior Center will be CLOSED for the Thanksgiving Holiday on Thursday and Friday, November 26 and 27. SWIRCA will also be closed, with no meals offered on those days.

Have a safe and happy holiday!

We Appreciate Our November Day Sponsors!

November 07 is sponsored by American Legion Kapperman Ladies Auxiliary Unit #44, to make us aware of their Vendor Craft Fair, taking place on Saturday, November 07, from 9 am to 2pm. Do some early Christmas shopping, support local craftsperson's and have a snack. This fundraiser raises money to support all the wonderful things the Auxiliary does for our veterans.

November 11 -Veterans Day is sponsored by the Newburgh BBQ Coalition. Many of the NBC members are veterans and have served our country in various branches of the armed services. They encourage all of us to honor all those who have served. Thank you, NBC members, for your service and for all your volunteer activities for the Newburgh Senior Center and other groups in our communities.

Veterans Day is November 11

Veterans Day, originally known as Armistice Day, is an important federal holiday honoring military veterans of the United States Armed Forces. Observed annually on November 11, regardless of the day of the week on which it falls, it coincides with other holidays, including Armistice Day and Remembrance Day, which are observed in other countries to mark the anniversary of the end of World War I.

The date is significant because major hostilities of World I were formally ended at the 11th hour of the 11th day of the 11th month of 1918, when the Armistice with Germany went into effect.

At the urging of major U.S. veteran organizations, Armistice Day in the United States was renamed Veterans Day in 1954. Today, Veterans Day honors all U.S. military veterans (who were discharged under conditions other than dishonorable).

Happy Thanksgiving!

Thanksgiving Day 2026 falls on Thursday, November 26. The holiday is observed annually on the fourth Thursday of November. Traditionally, it is a time to give thanks for all the sacrifice and hard work done for the harvest. In modern times, people take time off work (typically a four-day weekend beginning on Thursday) to spend time with family and friends over a large feast held on Thanksgiving Day.

In the early days of our country, Thanksgiving was celebrated on a variety of dates. Eventually, Abraham Lincoln decided Thanksgiving should be celebrated on the final Thursday of November. Later, Franklin Delano Roosevelt signed the holiday into law, making it officially observed on the fourth Thursday of November.

Thanksgiving is celebrated in several countries around the world. Our neighbors to the north, Canada, celebrate Thanksgiving on the second Monday of October.
