**We appreciate our November Day Sponsors:**

November 11-Veteran's Day is sponsored by the American Legion Kapperman Post 44, in honor and memory of all veterans of the armed services. We live in freedom because of their service. Thank you veterans and thank you American Legion for your support of the Newburgh Senior Center.

November 20 is sponsored by Joe and Mary Schitter. They want to honor all community volunteers who work to make our community a better place for all of us. We thank Joe and Mary for all their volunteer service and for their support of the Center.

**SHIP News**

**\*\*It's time to get your flu shot**

Did you know that Medicare Part B normally covers one flu shot per flu season in the fall or winter? You pay nothing for a flu shot if the doctor or other qualified health care provider accepts assignment for giving the shot, and the Part B deductible doesn't apply.

According to the Center for Disease Control and Prevention 2013, influenza is a contagious respiratory illness caused by the influenza viruses. Serious outcomes of flu infection can result in hospitalization or death. Some people, such as older people, young children, and people with certain health conditions, are at high risk for serious flu complications. The best way to prevent the flu is by getting vaccinated each year.

**Remember- Open enrollment for individuals with Medicare is in process. October 15 - December 7, 2013. Call and make an appointment if you are interested in reviewing your options for Part D drug coverage. Call SWIRCA & More at 812-464-7817 to make an appointment.**
