Lisa Goff, Manager

"It seems what most of us have been talking about lately is this unbelievably hot weather. So on that note, I need to say a big thanks to you dedicated volunteers who have taken the time to stop by the Center's garden to pull some weeds. The sweat and tears of your labor does not go unnoticed! And I'd like to remind everyone else to stop by the garden and grab a veggie or two to take home. Thanks Kenny, and everyone else who made our garden grow this summer.

Our thoughts and prayers for friends who have recently undergone (or will be very soon) surgical procedures, for speedy recoveries: Flo, Aileen, Judy, and Joy. Please be sure and let us know if you or a loved one needs a prayer. That's what our family of friends is here for." --Lisa

* The humid weather hasn't kept the walking club from walking; we just have to get out earlier. We've been leaving the Center at 7:30 on Friday mornings. See Ruth or Viola if you would like to join us or if you would like another day or time.

*Please help yourself to the veggies in the Center's garden!

*Holly from SWIRCA has given us more thera-bands for exercise. If you need one to take home, along with an exercise instruction page, see Lisa. Holly leads our exercise group Thursdays at 12:30.

*Blood pressure checks are offered Mondays at the Center by ITT student nurses.
