### Manager's Corner

May flowers are springing up everywhere! Before you know it, we will all be enjoying all the beautiful colors of Spring. I love this time of year and I hope you do, too! Take a moment to appreciate everything around you.

May 12 is Mother's Day! Don't forget to do something in honor or remembrance of all the things your

mother is/was to you.

May 27 is Memorial Day— Memorial Day is a federal holiday in the United States for honoring and mourning the U.S. military personnel who died while serving in the United States Armed Forces. From 1868 to 1970, it was observed on May 30. Since 1971, it is observed on the last Monday of May.

Last, but not least, May 24 is my last day as manager, here at NSC. I have enjoyed working with all of you and will miss you. I'm going to take a few weeks to see my best buds in St. Louis and then who knows. I'll be traveling on bus trips for awhile until I've used up my adventurous spirit. (Like that will ever happen!) Take care my friends...

*How beautiful a day can be, when kindness touches it!*

A little history on Mother's Day: The official Mother's Day holiday arose in the 1900s as a result of the efforts of Anna Jarvis, daughter of Ann Reeves Jarvis. Following her mother's 1905 death, Anna Jarvis conceived of Mother's Day as a way of honoring the sacrifices mothers made for their children.

Now Mother's Day is celebrated on the second Sunday of May. Mother's Day is a celebration honoring the mother of the family or individual, as well as motherhood, maternal bonds, and the influence of mothers in society. It is celebrated on different days in many parts of the world, most commonly in the months of March or May.

Happy Mother's Day to all the mom's out there!
