### DIRECTOR'S Corner

August is upon us. It's the end of the summer months and when children return to school. Famous people born in August include Martha Stewart, Martin Sheen, Jeff Gordon, Deion Sanders, and Halle Berry. August is named after Augustus Caesar, founder and first emperor of the Roman Empire, who was posthumously adopted by his maternal great-uncle Gaius Julius Caesar. August's full moon, called the Sturgeon Moon, will occur on August 11 at 8:35 pm Central Daylight Time. The Moon will make a close pass by Saturn that night as well, at 10:55 pm.

Our Center continues to have daily exercise classes at 10:30 am, Bingo on Tuesdays and Thursdays at noon, and host Clabber and Euchre card groups each Monday and Thursday respectively. We have a raised bed vegetable garden, an on-site library, a little free library (available 24/7), a treadmill, and daily jigsaw puzzle working and Rumikub games. SWIRCA meals are available Monday-Friday, and we have community sponsored free lunches each Friday! Feel free to join us for lunch anytime. Please RSVP, so we have enough food for everyone. We look forward to seeing you soon!

### Coming Soon!

We can almost smell the smoke! Mark September 27 and 28 on all your calendars.

### Birthday Celebration

Each month, we celebrate our members' birthdays for the month with a big birthday cake. You're invited to join us on Tuesday, August 6th. If August is your birth month, Diane will even serenade you with the Happy Birthday song! Everyone is welcome.

# Card Players Welcome!

**CLABBER**—Each Monday, a dedicated group of Clabber players meets at Newburgh Senior Center to play cards and have a good time! They are a fun group and welcome new members! If you play Clabber and are interested in joining the Clabber group, Stop by any Monday around 11:30 am to meet the current members and get in on a game.

**EUCHRE**—Our Euchre group is looking for new members! They meet each Thursday from 11am to play cards, socialize, and even enjoy a few snacks. Players at all levels of proficiency are welcome; you just need to know how to play Euchre. They say, “We don’t care how good you are (as long as it’s not a whole lot better than the rest of us!).” Stop in around 11am any Thursday to meet the group.
