### DIRECTOR'S CORNER

Thanks to everyone who helped with Porkapalooza.2024!!!. A huge day with Porkapalooza!

The pork was great, as usual. The sponsors were generous.

The volunteers were amazing and the public turned out to help support the Senior Center.

Some thanks to note particularly: **The Newburgh BBQ Coalition**. The original group started with us in 2010 and they've smoked pork for us every year since. Thanks guys and gals for all you do for Porkapalooza.

Thanks to all our sponsors.

Needless to say, without the support from sponsors, volunteers, smokers and those who ordered pork and bought lunches, there would be no Porkapalooza. It isn't a big leap to think that without Porkapalooza, the Senior Center would be financially unstable and programs would suffer. So, THANKS for another great year.

We'll get you the final numbers as soon as we can. THANK YOU!

**Halloween's origins can be traced back to the ancient Celtic festival known as Samhain, which was held on November 1 in contemporary calendars. It was believed that on that day, the souls of the dead returned to their homes, so people dressed in costumes and lit bonfires to ward off spirits.**
