### Director's Corner

I hope this new month finds you safe and warm. November is a mixed bag, bringing with it the last of our glorious fall weather, the end of Daylight Savings Time, and Veterans Day. It's the time of year we gather with family and friends to celebrate Thanksgiving Day. This is a good time to take a breath and relax before the frenetic pace of the Christmas season begins.

"And the dead leaves lie huddled and still,  
No longer blown hither and thither;  
The last lone aster is gone;  
The flowers of the witch-hazel wither."  
— Robert Frost

There is always a fresh pot of coffee at the Newburgh Senior Center, as well as well as a friendly game of Rummikub, as puzzle to be worked, and engaging conversation to be had with new or old friends. We hope to see you soon!

**PLEASE NOTE**

Newburgh Senior Center will be closed for the Thanksgiving Holiday on Thursday and Friday, November 28 and 29. SWIRCA will also be closed, with no meals offered on those days.

Have a safe and happy holiday!

## Daylight Savings Time Ends Nov. 3

It's time to "fall back!" This year, Daylight Savings Time ends on Sunday, **November 3 at 2 a.m.** Most people will change their clocks before they go to bed on Saturday night.

This is also the perfect opportunity to make sure your smoke and carbon monoxide detectors are in working order and change the batteries.

## Veterans Day is November 11

**Veterans Day continues to be observed on November 11**, regardless of what day of the week on which it falls. The restoration of the observance of Veterans Day to November 11 not only preserves the historical significance of the date, but helps focus attention on the important purpose of Veterans Day: A celebration to honor America's veterans for their patriotism, love of country, and willingness to serve **and sacrifice for the common good**.

## Happy Thanksgiving!

Thanksgiving Day 2022 falls on **Thursday, November 24**. The holiday is observed annually on the fourth Thursday of November. Traditionally, it is a time to give thanks for all the sacrifice and hard work done for the harvest. In modern times, people take time off work (typically a four-day weekend beginning on Thursday) to spend time with family and friends over a large feast held on Thanksgiving Day.

In the early days of our country, Thanksgiving was celebrated on a variety of dates. Eventually, Abraham Lincoln decided Thanksgiving should be celebrated on the final Thursday of November. Later, Franklin Delano Roosevelt signed the holiday into law, making it officially observed on the fourth Thursday of November.

Thanksgiving is celebrated in several countries around the world. Our neighbors to the north, Canada, celebrate Thanksgiving on the second Monday of October.
